The Campbellford and District Horticultural Society encourages our members to become involved at either the meetings or to be part of a special event committee. It is a wonderful way to learn and make new friends. Your handbook will outline those committees and what they do. If you are interested, please submit your name to the lead for that committee. They are listed on our website. You may also drop us an e-mail from the contact page and your interest will be forwarded on to the lead.

****Please print this form, fill it out and bring it to our next meeting.**
